3:20-3:40	Closing Meeting	Closing Meeting		Closing Meeting	Closing Meeting

**\*Please note that this schedule is a work-in-progress and may be adjusted as we continue to receive new information. I will keep you updated along the way.** Mini lessons may end earlier than scheduled as these times are the same K-5 and are simply a suggestion. However, we will not go past these times.

\*All blue blocks are live zoom meetings
